Petition No. 2053 of 1892-3.

Subject :— Proposed tra

Belvadi magani bel

from the Belur Taluk
to which they are at
present attached to t
Chickmaglur Taluk -

The transfer is proposed
by the authorities of th
matt on the following
grounds :-

1. There is a high road
from Belvadi to Chick
-maglur.

2. Though Belur is near
by 3 miles, yet there

4. The ryots of Belvadi
are troublesome and
Mett authorities have
D take legal steps against
them occasionally.
The amildar has now
frequent occasion to
come to Chickmagalur,
the Head Quarters of his
District, and can readily
obtain the assistance
he wants from the Authori-
ties at Chickmagalur.
He can also have the
Helps of the Engineering
Officers at Chickmagalur
regarding the Tank &
Channel works D be
executed at Belvadi.
At present he is unable
D go D Hassan.

5. If the magani is added
D the Hassan District,
there will be greater
facility in regard to
Postal Communication
as Belvadi can then
be served from Kalas-
-pur of Chickmagalur
Taluk close by instead
of

of from Station
present.

6. The villages of Chick-
-magalur Taluk are conti-
guous to the magani —
almost on all sides.

—

It would appear that the
villages were formerly
in the Kadur District
but were transferred
to the Belur Taluk on
the ground:-

(1) That the Kudlur Channel
should be in one District
+(2) That Belvadi was close
to Belur.

— The Dy. Commissioner
of Kadur (Mr Sharkes)
in asking for the opinion
of the Survey Superinten-
ent stated that it was
no very great advantage
to have the Channel reser-
ve entirely in one Taluk,
and that in view of the
greater facility which
the proposed transfer
would afford to the matt
and the people of Belvadi
and of the fact- that it
would not involve any
alteration

Scales, he was in favor
of the proposal. Col. Grant
in replying to the Dy. Comm.
Kaira Dist on 14th
March 1893, stated that he
was averse to changes
of boundaries unless
the reasons for transfer
were of a very cogent
nature and that in the
present instance he did
not consider the reasons
sufficiently cogent
and Belwadi had been
once before transferred
(to Belus) presumably
on a careful consider-
ation of all the circum-
-stances. Thereupon
Mr. Sparkes changed
his opinion and stated
that for the reasons
given by Col. Grant
the transfer did not
appear necessary or
desirable. Subsequently
however, Col. Grant changed
his mind when, in June
last, he was consulted
by the Dy. Commr.
Kaira District. He
then had the advantage

of

STATE ARCHIVES MYSORE

of Mr. Mackays opinion viz that there was no objection to the proposed transfer and that it would not complicate the preparation of revised maps and he stated that he was in favor of the re transfer provided the Jodi village of Manchenhalli and its majara which otherwise would become detached were also transferred to Chickmagalur.

The General Assistant Commissioner of Hassan states that the people of Belvadi are in favor of the transfer and he considers that it is called for on account of the greater facilities offered thereby to the people and the matt.

Thus the people of Belvadi and the Officers consulted are in favor of the transfer of Belvadi to Chickmagalur.

As regards the other Change which this transfer involves

viz

Vz the transfer of Yodi
Manchenhalli and its
hamlet Kurubar Budi-
hal, it is reported that
the people of the latter
object to the transfer
because the distance
from their village
to Chickmagalur is
23 miles while to Belur
it is only 13 miles,
and that the people
of Manchenhalli object
to their village alone
being transferred
without the majare.

The general assistant
Commissioner Hassan
considers that the
objections are not
of much force because
there are villages of
greater distance from
Head Quarters in the
Chickmagalur Taluk,
and that the question
of the distance of these
two villages is one of
minor importance.

— From the above, it is clear that Govt may authorize the holder of any alienated village to conduct sales of property attached for arrears of land revenue. ~~But this power can be enforced only when such holder~~

I am afraid not — In the first place it is a sine qua non that the holder should have exercised the powers in question within the 30 years before the drafting of the Rev: Regulation. The Superintendent of

Sir,

With reference to the enclosed Government Official Memo. No. 1074 of 23d ultimo, re the transfer of the village of Belwaddi from the Hassan District to the Kadur District, I find that the reason of transferring the Belwaddi village to Belur formerly was, that the Kudlur Channel would be in one District and that Belwaddi was closer to Belur.

As regards the 1st reason, I do not consider that it is any very great advantage to have the channel entirely in one Taluk; and as regards the 2d

reason, the distance to Taluk Head Quarters may be shorter, but there is no road and the distance from District Head Quarters (Hassan) is at present very much longer than from Chikmagalur. On the other hand, the Hobli to which this village belongs is in the Kadur District and certain advantages arise from both being in the same District. Again the people of Belvadi would have easier access to the Civil Court and higher Criminal Courts at Chikmagalur.

As regards the extension of the Chikmagalur Taluk, I am of opinion that this individual village would make no material difference. On the whole I am of opinion that the transfer should take place and shall feel much obliged by your kindly giving me your opinion upon the subject.

I beg to add that the transfer of this village from Hassan to this District does not involve any alteration of Shanbhog's scales.

The entire records connected with the subject received with Official Memo quoted above are herewith forwarded for kind perusal and return.

With reference to your letter No. 1226 of the 8th instant, forwarding Government Official Memo No. 1074 of the 23d ultimo, re the transfer of the village of Belvadadi from the Hassan District to the Kadur District, I have the honor to state that in my

opinion, unless the reasons for transfer are of a very cogent nature I am averse to changes of boundaries. In the present instance, I do not consider the reasons for transfer sufficiently cogent. Sir,

In reply to your Memo No 1929 of the 23rd ultimo, I have the honor to report that the Amildar of Belur states that there is no objection to the transfer of the Jodi village of Machenaballi with its Majara Kurbar Boodihal to the Chickmagalur Taluk, observing at the same time that the villagers of Kurbar Boodihal are not in favor of the transfer.

I have perused the statement of the villagers of Jodi Machenaballi. They object to the transfer of their village alone to the Chickmagalur Taluk, as the Majara village, Kurbar Boodihal is attached to the Belur Taluk. The villagers of this Majara Kurbar Boodihal state their objection to the transfer on the ground that the distance

is 23 miles, while Belur is at the distance of 13 miles.

I do not see much force in these objections, when it is considered, that there are villages in the Chickmagalur Taluk, which are at the distance of more than 25 miles from the Head Quarters of the Taluk. I would name Khandia of the Chickmagalur Taluk in point, which is 25 miles from Chickmagalur. The desirability and convenience of the retransfer of the Belvadi Inam villages to the Chickmagalur Taluk having been admitted, the minor question whether these two villages can also be transferred to the Chickmagalur Taluk may be answered in the affirmative.

No 42

Chn Apt Commrs Office

To

The Dy Commissioner
Hassan District

Sir,

With reference to your docket No. 1380 of the 7th March 1893, forwarding copy of the Chief Secretary's official Memorandum annexed to the retransfer of the Sringeri Matt Inam villages of Belvadi Magani & the Chickmagalur Taluk I have the honor to state that villages of Belvadi have given before the Amildar of Belur

transfer of the Inam villages of Belvadi Magani to the Chickmagalur Taluk and their Statements herewith submitted in original with the Amildar's report and its enclosures.

There is a good road from Belvadi to Chickmagalur, which is 17 miles from the former. Kalasapura of the Chickmagalur Taluk is 13 miles. There is greater facility for the Belvadi people to go via Kalasapura to Chickmagalur, which is the District Head Quarters, than to Hassan, which is 38 miles from Belvadi. Sringeri, to the Mutt of which these villages are granted as Inam is within the administrative jurisdiction of the Deputy Commissioner of the Kadur District, who can, advantageously to the Inamdars, have

the administrative control over these Belvadi Inam villages also, more especially as these villages were once attached to the Kadur District. The Inamdar will then have one District authority to look to for administrative purposes, while the proximity of Chickmagalur with the facility of communication should go a great way in promoting the convenience of the inhabitants of these Inam villages. Of course this retransfer will carry with it also the Civil and Criminal jurisdiction over these villages, which will also be more advantageous than the present arrangement.

The Official Memorandum under reference is herewith returned.

To

The Secretary to Government
General and Revenue Depto

Sir,

I have the honor to forward herewith for the orders of Government, Yadi no 350 from the Agent of the Sringeri matt.

2. The Agent represents that at the Belvadi Sarvamanya village, the property of the matt, is situated in the Chikmagalur Taluk, and at a distance of 70 miles from Sringeri, it is impossible for the Agent or other matt authority, to exercise proper supervision over the work of the Shekdar and minor Revenue subordinates there. The consequence of this is, that the village affairs have been somewhat mismanaged and heavy revenue arrears have been allowed to accumulate.

3. With a view to remedy these evils and to entrust the affairs of Belwadi to a more responsible officer, who could satisfactorily and constantly supervise the work done by minor officials, the Agent, at the express desire of the Guru, wishes to engage the services of the Amildar of the Chikmagalur Taluk, who at present exercises Criminal and Police jurisdiction over this village.

4. The annual revenue of Belwadi is said to be about Rs 7000/- and the Agent is willing to pay the Amildar an allowance for the extra work entailed on him.

5. When lately at Sringeri, I had a personal interview with the Agent of the matt on the subject, and found that he was very anxious to hand over the revenue work to the Chikmagalur Amildar, as he himself was unable to properly look after the work done there by the Shekdar and other

officials of Belvadi. He agreed to make a monthly allowance to the Chikmagalur Amildar of Rs 25/- per mensem, which is below 5 per cent of the revenue. The Agent further wishes that in all the revenue matters of Belvadi, the Amildar should consider himself as directly subordinate to the Matt.

6. I would very strongly recommend the proposal of the Agent, for the favorable consideration and orders of Government. As the village is in the Chikmagalur Taluk, is attached to Halasapur Hobli, where the Amildar is constantly engaged, I am inclined to think that the Amildar will not find it difficult to attend to the work of this Belvadi village.

Sir,

With reference to Govern-
-ment order No. 8392 of the 16th May 1899
R. 3717
stating that it is not advisable to per-
-mit the Amildar of the Chikmagalur
Taluk to manage Bélvadi and 11 other
Sarvamanya villages in his Taluk which
belong to Sree Sringéré matt, on the con-
-dition of the Amildar being in respect
thereto subordinate to the matt, I
beg to state as follows: —

2. The said villages which form a
magani or hobli are in charge of
the Sringéré Deputy Amildar, but that
officer is stationed many miles from
these

them, and so it is not easy for him to administer them with the powers that are now conferred on him (ie the matt) under Sec: 99 of the land revenue code. By those powers he can only attach the property of the defaulters and then he has to ask the Deputy Commissioner to sell them, Etc. This involves a good deal of correspondence, immense delay and inconvenience not only to the matt authorities but also to the Government officials. For instance numerous references made by the matt authorities for the sale of the lands, Etc, attached are now pending and the result is that the matt is kept out of its just dues for months and even years together. As the Government has refused to permit the Chikmagalur Amildar to manage the villages for the matt

propose as an alternative that, as in the case of the Sringéré Jahagir, the Dy. Amildar thereof (viz. the matt) be authorised to hold Sales for arrears and report them to this office for confirmation. This will save a good deal of correspondence inconvenience and delay and accordingly, I solicit early sanction to this proposal at least.

Sir,

With your reference to your docket no: 318 R.F. 146-92 of the 13th ult. stating that you have been desired to inform me that the proposal made by me about investing the Deputy Amildar of the Sringeri Jahagir with certain powers regarding the Beluadi and 11 villages in the Chikmagalur Taluk belonging to the Sringeri matt, are vague and that I should not prolong correspondence ainlessly, I beg to state as follows:—

First

2. Firstly, this is not a correspondence started by me, but by the permanent Deputy Commissioner to avoid certain inconveniences. The 12 villages in question being far away from the Sringeri Jahagir and it being therefore not convenient to the Deputy Amildar of that Jahagir to manage them, the permanent Deputy Commissioner proposed, at the instance of His Holiness the Guru of Sringeri to place them under the Amildar of Chikmagalur, subordinating him in respect thereto to His Holiness and giving him an allowance therefor. But the Govern-

ment

government disapproved of the idea of making the Amildar subordinate both to the Deputy Commissioner and His Holiness.

This order was communicated to the Matt authorities and in reporting their answer, I made a suggestion to minimise the inconvenience that had occasioned the correspondence. The trouble was to write to the District Office (at each time coercive measure became necessary to levy assessment) for permission to hold sales and then again for the confirmation thereof. — Thus in Each case two references were necessary, and with the object of avoiding

at

at least one of them I suggested that the Deputy Amildar might be empowered (as in the case of the Sringeri jahagir) to hold sales and their write for confirmation thereof. Pending the preparation of a list of the powers Exercised by the matt in the Sringeri jahagir and the formal investiture of the matt with those powers, the Government in order No. 3210 — R.F 146-92 of the 30th august 1892, directed the Deputy Commissioner to delegate to the Deputy Amildar of Sringeri such of the powers as are usually Exercised by the Amildars of

Government banks. It was a direction of that sort that was sought in respect of the 12 villages in question and no more.

3. — You enquire in how many cases coercive measure had to be adopted in the said villages for the recovery of the revenue arrears. But owing to the trouble some process above alluded to, no coercive measure was adopted, and the result is the non-recovery of the arrears of the past nine years Exclusive of the just past year 1898-99. Thus, in all, 10 years' arrears are out standing.

4. I fain hope that by the above recapitulation, I have made my recommendation clear. At all

Dated camp Kalkatti 26th April 1900

From F. C. C. Carr, Esquire
Deputy Commissioner of Kadur

To The Secretary to the Government
Of Mysore, General and Revenue Dept.

Sir,

With reference to your General No. 7525 / R.F. 146-92 of the 21st of April 1900, referring + Serial No. 14 in file — to the question as to whether the Deputy Amildar of Sringeri may be authorized to hold sales for arrears of revenue in the Inam village of Belwadi, &c, belonging to the Sringeri Matt, I have the honor to state that I consider that the whole question should be allowed to stand over to such time as the Survey Settlement has been extended to the Sarvamanya village of Belwadi under the provisions of section 236 of the Land Revenue Rules (vide proviso to section 99 of the above Rules).

2. There is no doubt that the present arrangement is most inconvenient, and is the cause of delay and loss in the recovery of revenue to the Matt authorities; but it is difficult to come to any conclusion as to what can be done to help them in this respect.

3. I quite concur with Government in thinking that it would be objectionable to place the Government Amildar of Chikmagalur "in indefinite Subordination" to the Matt authorities, but, on the other hand, it is almost impossible for the Sringeri Deputy Amildar, even if invested with Extra Powers, to properly Supervise the revenue work of Belvadi, situated as he is 70 miles off, at Sringeri

4. I propose visiting Koppa shortly and will arrange to meet the Sringeri Matt Agent there and will discuss with him what, if any, further proposals he would wish to make in the matter, and will then finally address Government.

5. Government may rest assured that unless I am then in a position to make a workable proposal, keeping in mind Government Order No. 839 dated 16th May 1899, I shall allow the matter to drop, and leave the Matt authorities to make what arrangement they like as regards the recovery of their revenue.
